

Ren's little kitchen

Hello,

Below you will find our Brigadeiro options. If you are not familiar with it, you might be asking yourself what Brigadeiro is. Traditionally handmade in small batches by slowly mixing condensed milk, butter and milk chocolate, the Brigadeiro is not only a favourite here at my little kitchen but also one of the most popular sweets in Brazil. You can say the Brigadeiro is a truffle with a Brazilian soul. And why not give this traditional sweet a modern twist by combining different chocolate varieties and the best quality ingredients?

I hope you enjoy it.

Thank you,

Ren
